- If it's going to be a big party, it might be a good idea to park on the street as parking in the driveway is limited to about 6 cars. Also if you need to leave early, park on the street.
- Our house is not the one directly on the street; you will need to drive down the driveway to the house in back.
- If you're parking in our driveway, please come down past the stone wall which marks our property boundary.

Coming by Bus:

Take the Number 71 bus from Berkeley Bart or wherever North onto The Arlington.

After the bus goes past The Arlington Circle fountain, watch after about 2 miles for the first stop sign and gas station and then for the Kensington Police station on the right. **Sunset** is the next street on the left.

There is a stop right across from it. You could also just ask the bus driver to stop at Sunset.

Walk down Sunset until you come to the first driveway on the left. Our number 32A is on a gray stone wall. Walk down the drive way to our house in back.

Coming from the South:

Come north on 580 from 5.

Go to the Maze and turn north on 880.

Go 4 exits (Emeryville, Ashby, University, Gillman) and take Buchanan/Marin Ave east to the **Arlington Circle**.

Go north on **the Arlington**,

past **Kensington Village** and its stop sign,
past the **Kensington Fire** station on the right,
and take the next LEFT turn onto **Sunset**.

Watch for a sign in the middle of the Arlington on a divider.

The turn is a bit awkward, so slow down and watch for cars coming on the other side of the street.

Our house is at the end of the first driveway on the left at 32A Sunset.

It's marked by a gray stone wall with "32A" on it.

Coming from the NORTH or WEST:

Exit 580 or 880 at Central Ave in Richmond.

Turn east (left or toward the hills) as you come off the expressway and go to end of Central.

Turn **RIGHT** on **Ashbury** and make first LEFT onto **Rockway**.

Go to its end (1 block) and turn **RIGHT** onto **Colusa**.

Immediately turn LEFT onto **Seaview**.

Go a long way on **Seaview** (.4 m) and make the first RIGHT you come to on **Eureka**.

Go to its end (.2) and turn RIGHT on **Franciscan Way**. At its end (.2 m), the street turns LEFT and becomes **Sunset**.

Go past **Hightgate** on the left.

Our house is at the end of the next driveway on the RIGHT at **32A Sunset**.

It's marked by a gray stone wall with "32A" on it.
